

Search Basics

Dialog Profound

Dialog Profound has more than 201,000 market research reports from the world's most respected firms. The search form is divided into three main areas: Quick Search, SmartTerms and Additional Search Options.

Step 1: Choose a database of interest by clicking the labeled tab on the Database Selection Bar.

Add Dialog NewsRoom to my search

Check the box to include news in your search

Step 3: Select reports to display by clicking the title or adjacent checkbox. Click the radio button next to the desired format: Full Report, Table of Contents or Keyword in Context (KWIC). A PDF symbol denotes reports available in Acrobat® PDF format in the far-right column. Click the Display button to view the report(s).

You can re-sort the Title List by Title, Source or Publication Date by clicking the up or down arrow in the column heading.

The screenshot shows the 'Market Research Title List' interface. At the top, there are navigation tabs: Live, NewsRoom, Profound, Intellicope, and Company Profiles. Below the tabs, the search results are displayed in a table. The table has columns for Title, Source, Publication Date, Pages, and PDF. The 'Format' section at the top right includes radio buttons for Full Report, Table of Contents, and Keyword In Context (KWIC), with a 'Display' button. Red circles and lines highlight the 'Title' column header, the 'Format' section, and the row for 'Other Professional Equipment and Supplies Wholesalers in the US'.
